You're in good company if you're curious about the LSF. Many are these days. The LSF is attracting the attention and interest of R/C sailplane enthusiasts throughout the world,

The League of Silent Flight is an association of and for the individual sportsperson. It is not a club, it is a program. Membership can only be earned. Membership cannot be bought. There are no membership fees. To become a member, an R/C sportsperson must fulfil the requirements of Level I of the LSF Soaring Accomplishments Program: a 5 minute thermal flight; a 15 minute slope flight or a second 5 minute thermal flight; and five spot landings within 3 metres of a target point.

Advanced levels in the program are progressively more challenging. Level V, for example, requires a 2 hour thermal flight, an 8 hour slope flight, a 10 kilometre goal and return flight, as well as considerable success in soaring competition.

Members are privileged to display the distinctive LSF insignia. The LSF emblem on a jacket or sailplane is a symbol of proven performance. It is displayed with pride - and recognised - anywhere in the world.

All aspirants and members must maintain affiliation with the Model Aeronautical Association of Australia (FAI Sporting license) through club membership. Many clubs find that group participation in the LSF can excite new interest and bring new growth.

The LSF is a personal challenge, and serious sportspeople are invited to associate with the League. The first step? Declare your intent.
