

Dear All,

Happy new year and welcome to the first LSF update for 2019. Amazing to think it will be March next week!

### **2019 World Championships**

The world championship selection trials have concluded for F5J, F3B and F3K with the MAAA confirming teams for the 2019 worlds. Details are online on the LSF website. Good luck to everyone who is representing Australia this year.

### **Easter Scale Glider Rally, Jerilderie Racecourse**

Preparations are well underway for the Easter Scale rally in Jerilderie. Jim Houdalakis is the designated Safety Officer and he will be looking for support from experienced modellers to help manage the flight line. Grab your registration form online at the LSF website.

### **Jerilderie LSF Tournament winch and electric operations**

After a number of state trials of winch and electric launch operations and feedback being received the LSF executive have determined the winch and electric operations for the LSF tournament at Jerilderie this June. Details are in the attached Jerilderie 2019 Tournament Operations document.

### **F3J 2020 World Championship Selection Trial**

Jerilderie 2019, 8th - 10th June will be the single selection trial for the 2020 world championships.

### **F3F 2020 World Championship Selection Trial Bids**

We have one bid from the WA group to run the selection trial in January 2020 for an October 2020 worlds. We are accepting bids until 31 March.

### **Other upcoming events**

#### *FXJ International, Milang*

Over the March long weekend the FXJ International is on again. Grab an entry form on the LSF website.

#### *Midway Cup, Horsham*

The Midway Cup is on again over the 13th and 14th of April. Entries open shortly.

Happy thermal hunting.

All the best,

Tom Dupuche, LSF President (on behalf of the LSF executive)
