

## Jerilderie Scale Glider Rally Jerilderie racecourse NSW Easter 2 – 5 April 2021

The annual Scale Glider Rally will be held at the Jerilderie Racecourse over Easter 2021 under the auspices of LSF Australia.

This is one of the biggest scale glider events on the Australian calendar so if you have any interest in scale gliding, Jerilderie is the place to be from 2-5th April. In 2019 we had great weather for the whole event and over 30 pilots attended, unfortunately we had to cancel 2020's event, but this year we are planning on another great weekend.

We have several 120cc and 150cc+ tugs lined up for the larger gliders, but any MAAA member and tow certified pilot offering to do some towing is welcome to help out.

Pilot registration online at: [Jerilderie scale glider rally Easter 2021 online pilot registration](#)

- There is no registration fee this year.
- A gold coin donation per tow to your tow pilot would be appreciated.
- You must be a MAAA member to fly at this event.
- Models above 7 kg will need current heavy model paperwork.
- At least one heavy model inspector will be present. It will be up to you to arrange certification if needed.
- The racecourse hall is available for model storage overnight Friday, Saturday and Sunday.
- A BYO BBQ will be held at the clubrooms at the Jerilderie Racecourse Hall Saturday night at the conclusion of flying.
- We will abide by the NSW Covid-Safe rules in place at the time of this event.
- Check with your home state's Covid restrictions on travel to NSW at the time of this event.
- Contact for the event: Jim Houdalakis [jimhoud@gmail.com](mailto:jimhoud@gmail.com)
